

**GEORGETOWN
COLLEGE**

Georgetown University

Academic Program Changes

- Students may double major, double major with a minor, or major in one field with two minors. A minor is not required. Certificates are the functional equivalent of minors.
- A single course may satisfy a general education requirement and also be credited to a major or minor requirement. However, the same course may not be applied to two majors, or to a major and a minor, or to two minors or to any other combination of major, minor, or certificate.
- Students are required to complete at least half of the coursework for a major or minor at Georgetown.
